

**Specification Amendments**

Kindly revise the specification in the following manner:

Page 8, lines 21-24, cancel the paragraph, as initially presented, and substitute therefor:

-- The door stay, as well as having the two arm members 11, 12, preferably also has a pair of leg members ~~17, 18~~ 30, 31, with the leg members extending on each side of the door. These leg members (and the arm members) will keep the door stay in position.--
